

# Bill & Therese Williams

February/March 2019

## BACK IN THE STATES

In January, due to our daughter's illness, Therese flew back to the states to help her in the final treatments of chemotherapy as well as to be with her during surgery. Bill flew back the last week of February. Jennifer is doing very well, thanks to your prayers and the faithfulness of the Divine Healer. The care of her mother by her side was also a major factor in the healing process. According to the post-chemotherapy mammogram and biopsy, there is no evidence of any cancer, but she will undergo radiation as well as future reconstruction surgery. Throughout these last eight months, from the first diagnosis of breast cancer, we have seen the Lord's hand working miraculously in her life, not only in the healing of her body; but also in her testimony of God's grace which has affected the lives of many people both in Spain and the USA.

However, the last of February we also received very distressing news from our son, Charles. In December, he noticed a mass on his thigh which began to grow at an exponential rate. A doctor recommended an MRI, and the biopsy results revealed a malignant tumor. Nevertheless, the tumor is localized, very operable, and with radiation the cancer should be contained. He will be operated on the 19th of this month. We ask for your prayers for both our children as well as their parents as we traverse these difficult storms in our lives.

While visiting with our daughter in Florida, we were blessed by being able to visit two of our supporting churches nearby. We were uplifted and encouraged by both churches even as we reported back of the blessings of God on our ministry in Spain. Please, check out our new ministry update video on our web page listed below. Therese and I are now back in Spain and trying to get over jetlag!

## BACK IN SPAIN

Meanwhile, back home, our associate pastor, Valentin and his wife have done a great job taking care of the work in our absence. Under his leadership, the folks are fulfilling their responsibilities and faithfully serving the Lord. We are truly blessed to have a young couple that are such dedicated stewards in the ministry.

This past January, we celebrated our annual faith promise mission conference. Our goal was 100% participation even of our youngest children. That goal was practically reached. Our faith promise pledges were up more than 50% from previous years as many began giving to missions for the first time. The church voted to start supporting a missionary to Israel.

Last month we started our sixth year of memorizing the Word of God through the Bible Memorization Association of Spain. Fifteen churches signed up this year with over 400 participants.

***We greatly appreciate your continued prayers and financial support!***

### • Sending Church:

Central Baptist Church  
1030 N. Morris Street  
Gainesville, TX 76240
