SUMMER NEWS

In a few weeks, summer 2022 will officially come to an end, but we have finally gotten relief from the unbearable heat we have experienced this summer. Here in Spain as well as around the world, it has broken all previous temperature records. But this first week of September, we are experiencing wonderful high temperatures in the mid-70s! However, we are also experiencing one of the worst droughts on record. In our province, the reservoirs are down to 25% capacity. If it doesn't rain soon, we will have to go on severe restrictions.

Nevertheless, there has been some great news during this record-breaking, hot summer. We will now share some of the Lord's blessings.

CAMP BLESSINGS

Therese and I worked in the first three weeks of the five weeks of the Mount Calvary Baptist Camp. Many decisions were made throughout these three weeks. In the Junior High camp, Satan tried to get the victory when we had to send two of our children back home who came down with COVID. However, as I preached on the last Friday night, 6 pre-teens made professions of faith, (including 2 from our church), and the altar was filled with junior highers confessing sin and surrendering to full-time service. In the high school camp, our church took 7 teenagers and practically every one gave testimonies of rededication to the Lord.

BIBLE MEMORIZATION COURSE

After cancelling memorizing last year due to COVID and furlough, this year we will once more start up our memorization plan. We are excited about new courses from Scripture Memory Fellowship that we are presently translating and formatting to present for this new year.

FAITH BAPTIST CHURCH

Our attendance has finally returned to pre-COVID levels in spite of vacation absences. Two new families have started attending, one of which are faithful Baptists who will be joining shortly. The other family is excited about our church but come from a Pentecostal background and will require a lot of teaching as they cannot even give us a clear testimony of their salvation.

Lord willing, in four months I will be resigning and the church will be voting in the new national pastor, Valentin Lucaci. We have been working on this transfer of the pastorate for around 4 years now. Please, pray that it will be a smooth transition and that this missionary and his wife will be able to slowly but surely fade into the background.

We ask for your continued prayers for our ministry, our health, as well as for where and how the Lord would have us continue our ministry in the years to come. Thank you for your faithfulness throughout these last 35 years as your missionaries to Spain!
